

DETERMINATION OF NONSIGNIFICANCE (DNS)

Forest Practice Application Number: **2808641**

Description of proposal:

Uneven-aged timber harvest on 3.5 acres. (This parcel is located on platted property. The applicant does not propose to convert and Skagit County has indicated no permits are required from the county. This proposal does not allow clearing or grading activity or any activity which will require a permit from the local government. Therefore the Department is Lead Agency for this proposal.)

Proponent:

Landowner/Timber Owner: **Stephen J. Kerley**

Location of proposal, including street address, if any:

Portions of the NE ¼ of the Northwest ¼ of Section 2, Township 33 N., Range 4 East, W.M., Skagit County, WA. Also known as 22430 Criddle Lane, Mount Vernon, WA.

Lead Agency: Washington State Department of Natural Resources

Key Environmental Issues:

None

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2) (c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

- ☐ There is no comment period for this DNS.
- ☐ This DNS is issued under 197-11-340(2); the lead agency will not act on this proposal for 14 days from August 17, 2006. Comments must be submitted by August 31, 2006.
